

Midcoast Maine's
independent high school
cultivating excellence, compassion,
creativity, and respect

OPEN HOUSE

MONDAY, NOVEMBER 4, 2013

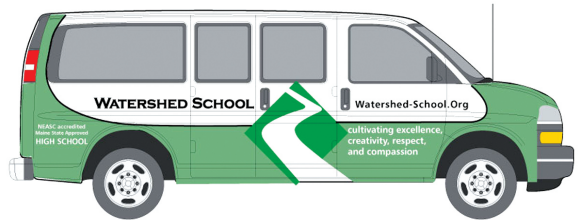

5 PM TO 7 PM

32 WASHINGTON STREET, CAMDEN

IN THE KNOX MILL BUILDINGS

Come to an informational gathering for all students, parents, and teachers who would like to learn more about Watershed School. An independent high school serving Maine's Midcoast region, Watershed has a strong, student-centered academic program and rich network of learning opportunities that include theater, athletics, design and engineering projects, a literary review, community service, student-initiated organizations, music, and the arts. A Watershed education is built on the principle that

exceptional individual growth develops out of strong teacher-student relationships within the context of a close-knit school community.
